

AUTHOR INSTRUCTIONS FOR POSTER PRODUCTION

The posters being presented at ISBS 2009 should adhere to the following format:

- Title
- Author(s)
- Affiliation(s), city, state and country
- Keywords
- Introduction
- Methods
- Results
- Discussion
- Conclusion
- References
- Acknowledgement

There is significant author flexibility when it comes to poster design; the only formal requirement from the organisers is that the posters are printed on paper size A0 (841mm × 1189mm) in portrait form.

If required, please download the template from www.isbs2009.com; available in either PowerPoint (*.ppt) or PhotoShop (*.psd) format.

If you require details of printers based in Limerick (to save you transporting the poster) please contact us for contact details and pricing.

You can contact the conference chairs with any questions via www.isbs2009.com or science@isbs2009.com
